PERFORMANCE PARTS & SERVICE

Inspect your shipment upon arrival. Report any damage or shipping related breakage immediately to the carrier. Race components are sold with no warranty expressed or implied. Not all components are legal for use on highway vehicles. All manufacturers warranties will apply if applicable. Most aftermarket manufactures do not carry a warranty on race-oriented items. Items that carry no manufacturer's warranty are sold as-is. Used items still under manufacturer's warranty may have to be inspected by a factory representative before a refund or exchange can be authorized.

Any parts installed in **Prestige Motorsports Inc** performance center that are in question of defect will still encounter a labor charge for the removal and reinstallation of mentioned part(s) depending on the case at hand.

Because we care about our customer and their satisfaction with our product or service, we always encourage you to contact us any time with questions or concerns. This also means if you are out of the stated warranty period mentioned above, we still encourage your calls.
